Empowering Clinicians, Elevating Care

CPEP helps protect patients while supporting the clinicians who care for them. Our programs promote clinical excellence and professionalism through assessments and education.

Over 1,300 organizations, including licensing authorities and hospital systems across the US and Canada trust CPEP's seminars, assessments, chart reviews, and practice monitoring. Over the past 35 years, we've served over 10,000 physicians, nurses, dental professionals and other professionals.

CPEP's programs can be tailored to your unique situation. Learn more today at www.cpepdoc.org or call us at 303-577-3232.
